

ICE --- SERIES

HIGH EFFICIENCY COMMERCIAL EQUIPMENT
THE FUTURE OF THE ICE INDUSTRY

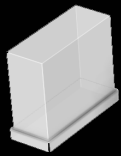

ICE makers with **R290 Refrigerant** for the highest energy efficiency of its Class

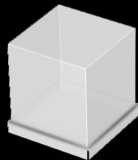

With durable construction, these machines are built to thrive in any environment while maximizing ice production and reducing energy consumption. Additionally, True ice will change the game when it comes to ease of use and serviceability. Equipped with a smart board and 4.3" touch screen, True machines allow for diagnosing service issues, monitoring ice levels and simple yet effective cleaning routines.

TRUE ICE

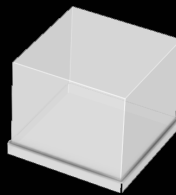

Half

7/16" x 1-1/8" x 7/8"
(11.1 x 28.6 x 22.2 mm)

Full

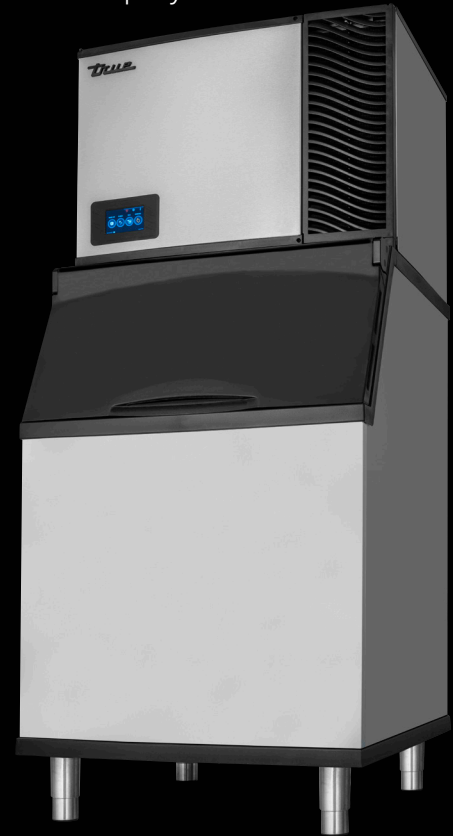

7/8" x 7/8" x 7/8"
(22.2 x 22.2 x 22.2 mm)

Large

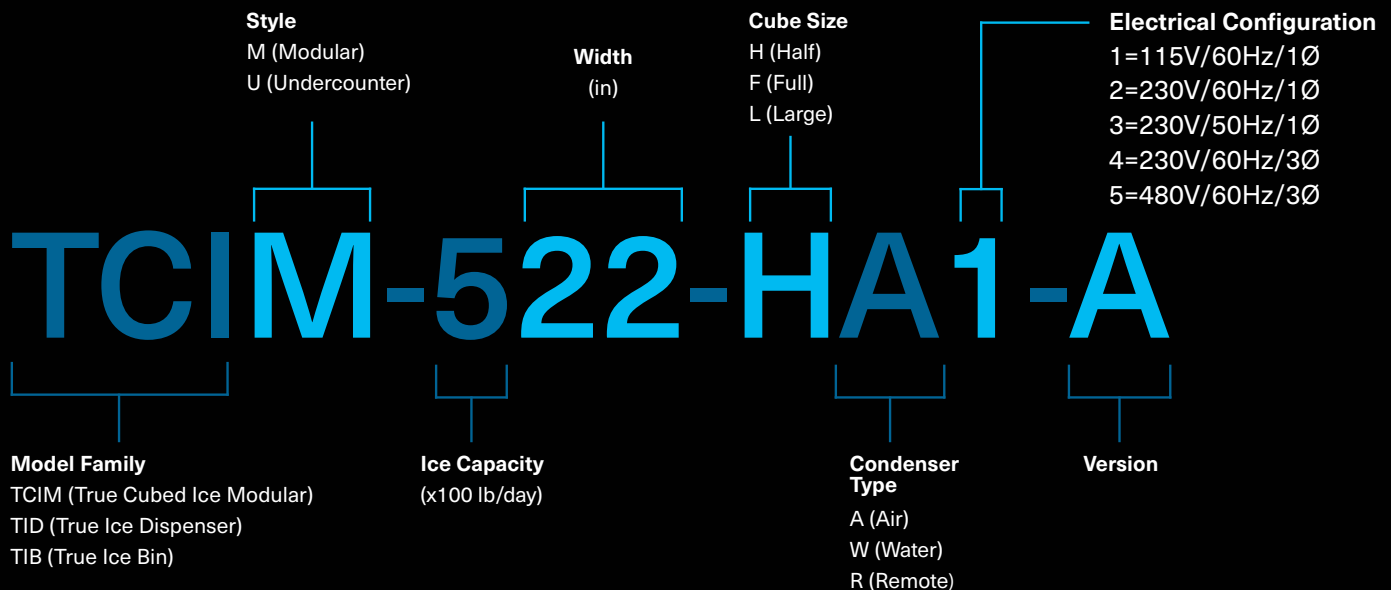

1-1/8" x 1-1/8" x 7/8"
(28.6 x 28.6 x 22.2 mm)

MODEL NOMENCLATURE

FEATURES

TrueTouch™ 4.3" Screen & Smart Board with Easy Navigation allows for:

- Simple & quick diagnostics
- Remote monitoring of alarms
- Real-time ice level monitoring
- Programmable ice production
- Automatic Cleaning Routines
- Ice thickness & clarity adjustments

TrueConnect™

- Remote monitoring capabilities with easy back-end data access
- Location based performance enhancement plus low level ice protection
- Remote Shut off

TrueNcapsuL8™

Patented Sanitary Evaporator (fully sealed) for efficiency and cleanliness

TrueZone™*

Superior cleanliness and protection with growth inhibitor system

TrueGuard®

Antimicrobial injected into all plastic pieces to fight against the growth of bacteria

TrueTech™

Exterior – superior corrosion resistance with clear coat that prevents fingerprints

*Ordered as accessory
