

TOP 5 REASONS TO BUY TRUE ICE

1 The Most Energy Efficient Ice Maker On The Market

R290 refrigerant with an insulated evaporator results in savings up to 37% below energy star standards.

2 Superior Ice Production In Harsh Conditions

Widest operating range of any ice maker with superior performance in tough climates.

3 Improved Sanitation

TrueGuard™ antimicrobial along with a completely sealed evaporator design inhibits cross contamination and bacteria/mold build-up.

4 Faster Servicing and Less Down Time

Advanced diagnostics ensure predictive and proactive steps are taken in the servicing of your machine.

5 Never Run Out Of Ice!

With Time-of-Flight™ ice level sensing & TrueConnect™ technology, you can always know of your ice levels and get notifications if you are running low.

SAVE UP TO **23%** IN UTILITY COSTS VS COMPETITORS!
