## PANEL READY DOORS

### Match your style and decor!

True's line of refrigerated bar equipment now offers the option of Panel Ready Doors\* which allow you to **enhance any bar with a custom look to match your cabinetry.**

Your cabinet will come without finished front panels but **ready for custom after-market panel installation** to further customize the look and style of your equipment.

Available on all TBR and TDR models.

\*Custom overlay panels not sold by True. Cabinet ships ready for custom panel installation. (See black cabinet on back).

Please scan the QR code (right) to access the TBR | TDR Bar Refrigeration Installation Manual and refer to the "Overlay Panel Specifications" (Pages 15-20).

### Please Note

- True **does not** manufacture custom overlay panels.
- True cabinets with panel ready doors will ship **without** finished panels in place. (See black cabinet shown above).
- True provides **detailed drawings and measurements** in the install manuals of these cabinets to provide to aftermarket vendors for production.
