

O²TRM™ Accessories

True®
REFRIGERATION

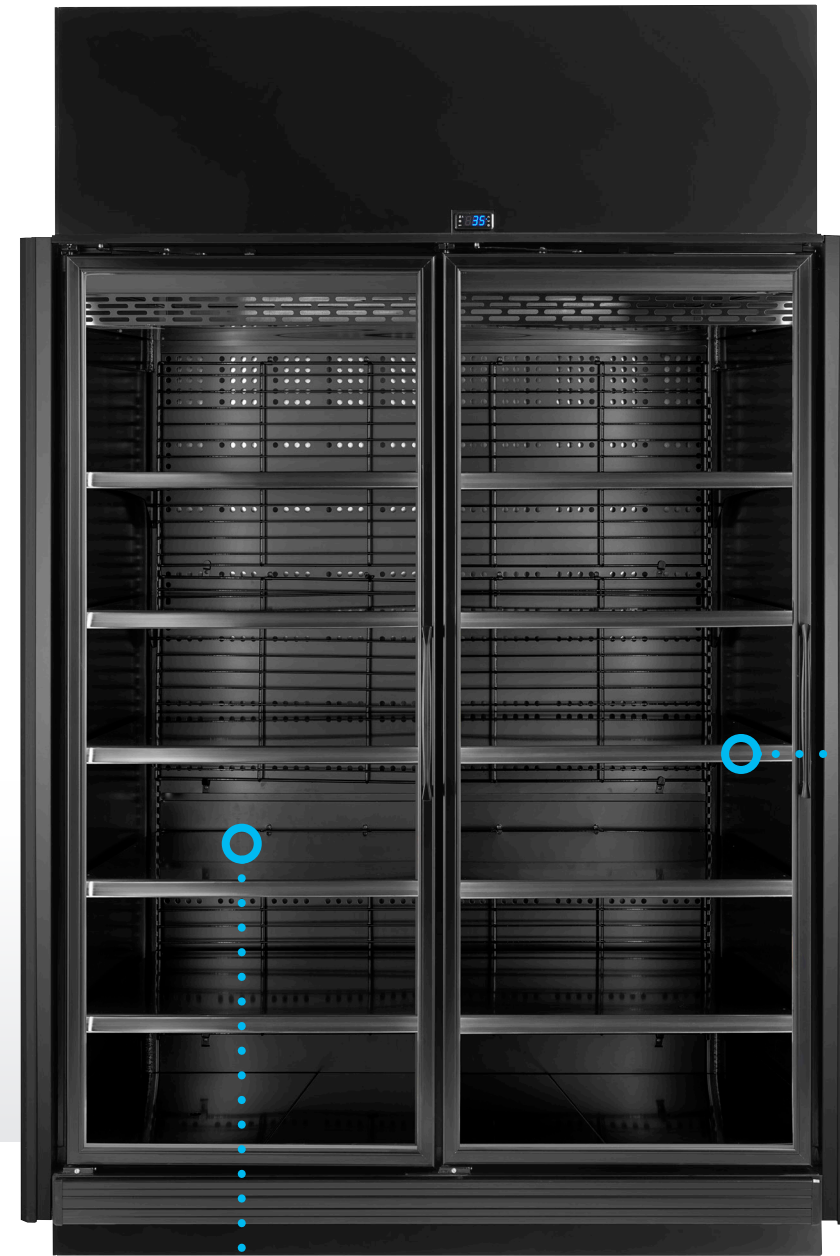

Accessories designed to enhance the retail experience

Modern shelving, peg hooks and ID strips to maximize and elevate the display of your products.

Peg Hooks

Elevate the presentation of your merchandiser with the minimalistic profile of True's latest peg hooks. Maximize every square inch of your retail space with the engineered design 30" wide shelf space.

Product ID Strips

True's product ID strips conveniently come in black or white. Specifically designed to withstand the demands of a bustling retail environment.

- Effortlessly displays labels and pricing.
- Bottom sill product ID strip – attaches to the bottom of the cabinet.

Cantilever Shelves

The 30" wide powder coated cantilever shelf is designed for durability and modularity.

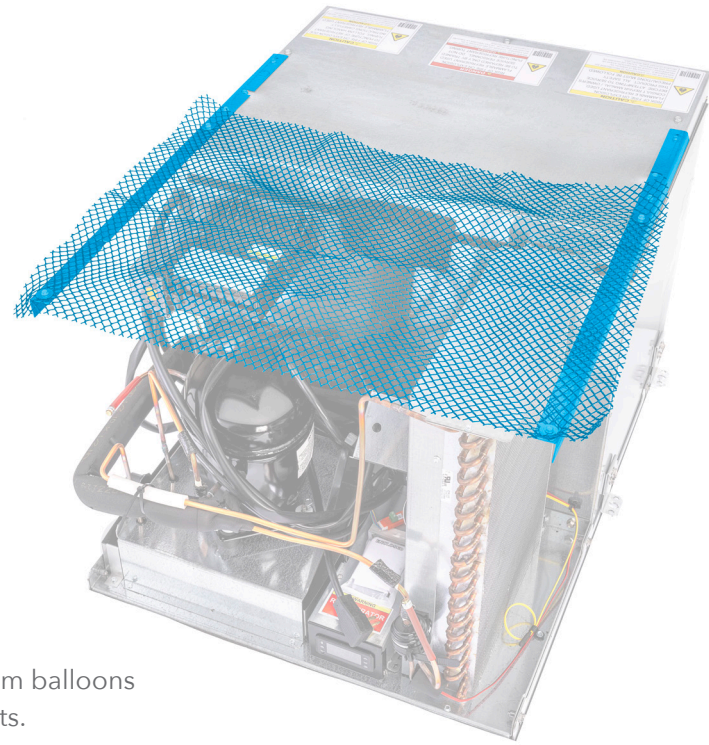

Joining Kits for increased retail merchandising convenience and sales.

Corner Joining Kit

Seamlessly bank two Retail Merchandisers together for a sleek, unified appearance. Integrates two units seamlessly at a corner location.

Internal accessories that protect and ensure longevity and consistent quality performance.

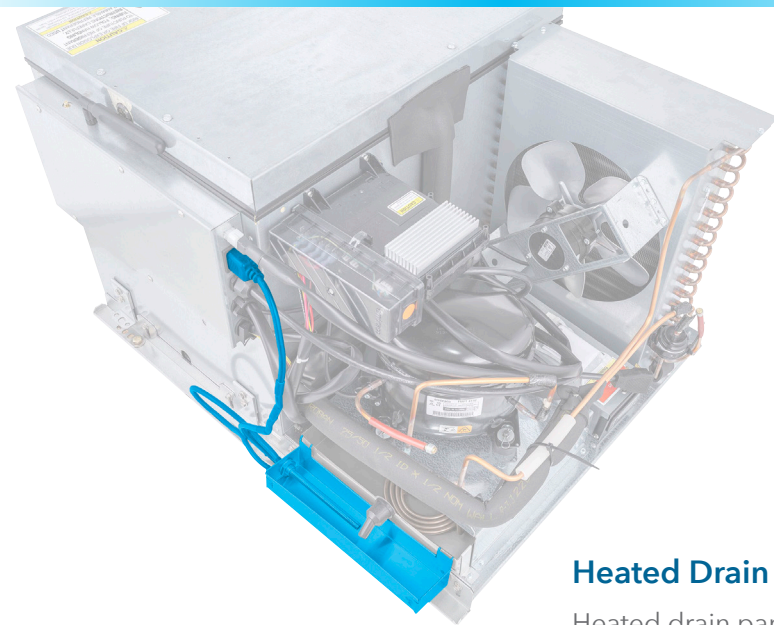

Balloon Guard Kit

Protects the motor from balloons and all other fragments.
